Workshop Proposal

Title of Your Workshop

Describe the workshop shortly (max. 100 words)

Please include longer introduction if needed.

Type of the workshop

- walk-in/open to public
- closed/participants limited

To whom:

- Children
- Adults
- Artists
- All
- Other:

Technical and practical specifications

Space and equipment needed.

Art Work / Entry Information

All works must be sent on a digital media [CD-R or DVD], internet work included, properly labeled with the technical specifications and the participants name and also one or more images for each work proposed for publication and documentation with the following specification: TIFF format, 15X10cm, 300dpi resolution.

In case of installation or physical objects please send a good documentation (weight, need of space) with images (photos or sketches) of the installation or physical objects. **DO NOT SEND ANY ORIGINAL MATERIAL** unless you'll get information of acceptance (after June 15, 2008.)

In case of digital prints, please send images on CD-R or DVD with a printed information sheet which holds the information of the size of the prints, the print medium (laser, ink, pigment ink) and material of the prints. If your work gets selected we then prompt you to send the original prints for exhibition.

Submission materials will not be returned.

Overseas entrants should write "Art for contest. No commercial value" on the outside of the package.

If you choose to submit several entries, please fill in one submit form for each entry.

Title

Original title of the art work

English title of the art work

Exhibition/festivals, that the art work has been displayed before or is this the first time?

Genre of the art work
